State Tournament W.Va. Wesleyan College, Buckhannon
<b>Final</b> Elkins 28, Wheeling 13

The 1915 state tournament was the largest athletic event in the history of the state. More than 150 coaches, managers, and players participated. Sixteen of the 44 invited teams accepted bids to the event. Davis High School failed to file its guarantee and the event was cut to 15 teams. The uneven number of teams resulted in a vote to determine which team would sit out the first round and Clarksburg was chosen. There were two sessions on Friday, March 19 -- a three-game afternoon session which cost 35 cents to attend, and a five-game evening session that also cost 35 cents. The semifinals and finals were held on Saturday at a cost of 50 cents for each session.
